FEBRUARY 2025 ISSUE

"And above all these put on love, which binds everything together in perfect harmony." — 1 Colossians 3:14

From the Executive Director

It is the love month friends!

"We love each other because God first loved us." 1 John 4:1

I do not think you need all the commercialism that is out there. I just think you need to let the people in your life know that you care about them and that they hold a special place in your heart. Everyone wants to know that they matter. We get to reach out to a lot of people with a free hot meal and let them know that they matter and that they are loved. A big shout out this month to our team of volunteers who deliver meals to homes that are experiencing hard times. This winter the weather has been hard to deal with and we can't thank you enough for your dedication to delivering in the cold, snow, and ice.

Two long-time delivery drivers, Landis and Isabelle Royse, have recently retired. They are such wonderful human beings who serve the Lord wholeheartedly. I am forever grateful that they volunteered for 20 years. When I look at that orange circle around the Greensburg Community Bread of Life logo, I see Izzy, Landis, and the hundreds and hundreds of volunteers represented in that orange circle. The circle hasn't been broken in over 23 years. Yes, today as I write this, I am reflecting on our 23rd anniversary... today February 12th! The volunteers over the years have come and gone and brought such value to this ministry and my heart. And in the logo, you see what the circle has in it - the hands of God. He is the center of our orange circle. Our Lord is the reason why we serve and love others.

Thank you all for everything you do to further the Kingdom of God.

"Let them give thanks to the Lord for his unfailing love and his wonderful deeds for men, for he satisfies the thirsty and fills the hungry with good things." - Psalm 107-8-9

Blessings ahead, *Melissa*
